In Inkberrow, Cookhill, Kington and Dormston

Woodland glade at Sernal Ash

May 2020

This month, *What's On* is more of a source of information which might be useful during the current situation. If you have anything which you would like to be published, please contact Mike Pashby at mikep_whatson@outlook.com by Sunday 24th May for inclusion in the June issue. This month we have just one local cultural opportunity:

Walking? cycling? jogging? driving? Take a detour on your daily exercise! Since the start of lockdown, John Harris has been displaying a fresh painting daily on his front garden. You'll see a small Rainbow signpost on Greenscroft Way, opposite Orchard Mead: SEE FOR FREE A PAINTING A DAY @ No 5.

THOUGHT FOR THE MONTH

By Rev'd Bruce Rienstra

Vicar of Inkberrow with Cookhill and Kington with Dormston

Everything has changed, life is simply not normal, Easter was not normal. For many people change is really difficult and for others change is a great thing. I'm one of those who likes change, I rather enjoy adapting to a new situation so it's often difficult for me to understand why others find it so difficult. I don't always get it right when faced with a new situation, but I enjoy the challenge.

I collect antique books and often I find something in the book that someone long ago wanted to save, something which spoke to them. Since the books I collect are prayer books it's often prayers or something spiritual which I find.

My latest (£5) acquisition was a prayer book from 1855, nothing really special about it, but in it I found this newspaper clipping. It looks to date from the 1950's and it seemed to me to be an appropriate prayer for the situation we now find ourselves in.

It reminds us that it is simple things which we miss when we are faced with hardship, but that in our hardship there is much to be found as well. There is the good will of neighbours, like when our kettle broke and we couldn't get out to buy a new one. Pat responded to my plea on Facebook and gave us one she had spare.

She's not the only one in the village "...with a heart to feel for all..."; nearly everyone is doing something for someone else. COVID-19 is dreadful but through the experience we have been given "...a chance to be... our goodly best for others..." and I pray that after this is finished we continue "...to live as brothers" and sisters together.

I pray that in this time of difficulty you will find blessing "with daily bread and butter", "with health" and "a bit o' song" with each other (by zoom, the telephone or two metres distance anyway).

And just one more thing... there may be no church bells on Thursday evening or Sunday morning, the church building may be closed but the church community is still open. Every Wednesday and Sunday there is a reflection or a service to follow on line. Find us on our YouTube channel; The North Avon Group and there is also "Zoom Church @ 11" on Sunday (just email me for the login details).

Keep well, keep safe, and until we are told otherwise keep your distance.

Bruce Rienstra

St Paul's Church Cookhill, T @ 3 will return on the third Thursday of the month in the coming months when circumstances allow.

What is T@3 ? Simply — Its Fun!

A warm welcome to join us at 3pm for tea, cakes and lots of chat! The gathering is free and open to anyone and everyone, no matter where you live or what you do. For more information please contact

LEFT OVER CURRENCY Been away on hols or with work and haven't been able to change back the coinage? We can help. The Reverend Bruce Rienstra and Eileen Gibbs are continuing to collect obsolete coins of your left over currency to benefit St. Peter's Church. So if you are spring cleaning try and find that hoard in a tin, drawer or a bag.

Large or small, all donations will be very welcome. Donate by dropping your collection through the door of the Vicarage or contacting Eileen 01386 792143. Many Thanks

Rough sleepers in Worcester & Maggs Day Centre

Many of us will be distressed to have seen the increasing numbers of rough sleepers in doorways in Worcester and be aware that nationwide, an average of two rough sleepers die each night on the streets of Britain.

There are between 40 and 60 rough sleepers in Worcester city and a further 90 to 100 in the county. About 90% are men, they will often be from broken homes, have failed at school, have mental health problems, drug addiction, and have no means of accessing doctors, dentists, and have no savings or bank account.

Maggs has programmes to help both those living on the street, and those who have come into sheltered housing. The help we can give as a community with very little effort, is donations of items that would be suitable and answers the daily needs of rough sleepers, to include items such as:

Toiletries – toothpaste & toothbrushes,

Soap and face flannels, Shaving cream & disposable razors,

Deodorants, combs, washing powder,

Sleeping bags;

Ruck sacks - a rough sleeper carries his/her world on their backs;

Jogging bottoms, and trousers, and underwear mainly for men (small sizes only – 30” to 32” waist. Rough sleepers don’t carry any spare weight!);

St Peter’s Church is supporting Maggs by co-ordinating donations of items such as those listed above. During the Coronavirus they need our continued help more than ever. If you have any items you can donate please drop them at the vicarage and we will organise for them to be delivered to the Centre during this difficult time. Thank you for your support.

More information regarding Maggs can be found at
<http://www.maggsdaycentre.co.uk/>

FOODBANK APPEAL: The church is still collecting for the Food Bank in Worcester who continue to experience extremely high demand. If you can help please leave your donations in the box by the front door of The Vicarage on the High Street, Inkberrow (located roughly opposite the village shop). Your donations will then be delivered to the centre when feasible.

Read the Agendas, Minutes & Parish News at www.cookhillparishcouncil.com

INKBERROW PARISH COUNCIL

The latest meeting was held on Wednesday 15th April 2020, via web cam.

Cncllr. Anthony Hopkins reported that Highway matters, including pavements, because of the limitations of Cov-19 procedures, were currently related to urgent matters of safety only. The clearing of the pavement along the main road would be given priority once the Highways Department was back working at full capacity. Unfortunately the Lengthsman also is unable to carry out his normal duties at the present time. In regard to the Neighbourhood Plan, although some Group meetings had to be cancelled, the good news was that 3 new members had joined the Group making it possible for a sub group to be formed taking on the requirements of the Young, Elderly and their housing needs.

The Deed of Easement between the Football Club and the Parish Council in respect of the “overflow” carpark, was currently being prepared by the Council’s Solicitors.

It was agreed that replacement batteries should be purchased for the defibrillator outside the Shop. There was no Police report but it was noted that a number of shed break ins had been experienced in the Dormston area.

It was with regret to note that some bus services had been removed. Cncllr Anthony Hopkins and Cncllr Robin Lunn agreed to look further into the need for this action. Members were grateful that, at least for the timebeing, the refuse collections were on schedule. Both the County and District Councils were facing very challenging times. However, the Parish Council is up and running and making every effort to keep the residents of Inkberrow in touch with news and support via the Inkberrow website. Grateful thanks was expressed to Cncllr Jane Neal for her continued work in keeping the site up to date. Grateful thanks was also expressed to the Village Shop who continued to serve way beyond the call of duty during this difficult time.

Two Planning Applications were recommended for approval:

20/00567 Mr. J Colls-Burnett, The Bungalow, Holberrow Green, for a single storey side extension and 20/00660 Mr. J. Richards, Wayward Winds, Withybed Lane, Front 2 storey ext. new porch and replacement garage roof. Single storey rear ext. *The next Parish Council meeting will be the Annual Meeting and is scheduled for 20th May. Information as to what form it will take, together with the Agenda, will be placed on the website.*
