

NOTES FOR EXHIBITORS AND JUDGES

Flowering stems can be taken from any flowering plant.

The different kinds of plants need to be taken from different genera. For instance pinks, carnations and sweet Williams, which are all dianthus, would not be classed as different kinds.

Use only fresh, home-grown flowers. NO dried or silk flowers allowed.

A vase, by definition, is any vessel that can be used to hold cut flowers and which is taller than it is wide at its widest point.

Please note that the display has to be viewed all round.

The points awarded should be clearly marked by the judges on the exhibitors' cards.

Any queries that may arise, regarding anything other than the above rules, should be referred to and decided by the show officials.

Failure to abide by any of these rules will lead to disqualification.
